AM Best Affirms Credit Ratings of MAPFRE S.A.'s Rated Operating Subsidiaries

AMSTERDAM, 18 October 2023—AM Best has affirmed the Financial Strength Rating of A (Excellent) and the Long-Term Issuer Credit Ratings (Long-Term ICR) of “a+” (Excellent) of MAPFRE S.A.’s (MAPFRE) rated operating subsidiaries. The outlook of these Credit Ratings (ratings) is stable. See below for a detailed listing of companies and ratings.

The ratings reflect MAPFRE’s balance sheet strength, which AM Best assesses as very strong, as well as its strong operating performance, favourable business profile and appropriate enterprise risk management.

MAPFRE’s balance sheet strength is underpinned by risk-adjusted capitalisation that exceeds the level required to support the strongest assessment, as measured by Best’s Capital Adequacy Ratio (BCAR). AM Best expects the group’s risk-adjusted capitalisation to be maintained at the strongest level prospectively, supported by strong internal capital generation and a conservative investment portfolio. A partially offsetting factor is MAPFRE’s moderate dependence on retrocession; however, the risk associated with this dependence is mitigated partly by the credit quality of the retrocession panel, which is excellent, with most of the reinsurance recoverables held with highly rated counterparties.
