KEY FIGURES

DISCLAIMER: The figures and ratios in this activity report are presented under the accounting principles in force in each country, homogenized for comparison and aggregation between units and regions. As such, certain adjustments have been applied, the most relevant of which are the following: the elimination of the goodwill amortization in Spain and the elimination of catastrophic reserves in some Latin American countries. In Malta and Portugal, the local accounting applied is IFRS 9 & 17.

(1) Basis of presentation – homogenized local accounting criteria: The figures and ratios for 2023 contained in this document under homogenized local accounting criteria have been obtained from the financial statements prepared by MAPFRE Group companies, according to the accounting principles in force in each country. In order to achieve homogeneity in results and ratios between units and regions, certain adjustments have been applied to the 2023 figures, the most relevant being the following: the elimination of goodwill amortization in Spain and the elimination of catastrophic reserves in some Latin American countries.

(2) The comparative data reflect the figures presented by the Group under the new international accounting principles. For more details, see the information on IFRS 9 and 17 in MAPFRE's Consolidated Annual Accounts for 2023.
